

Receiving a MATLAB license

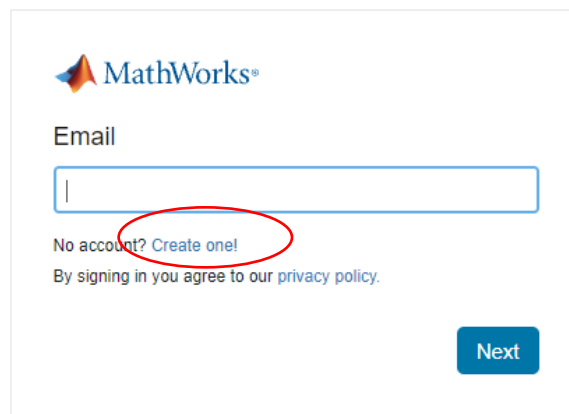

1. Enter the website

<https://www.mathworks.com/academia/tah-portal/tel-aviv-university-31224375.html>

2. Press on "sign in to get started."

In the event that there is no mathworks account with Tel Aviv University's email address, press on "create one."

A screenshot of the MathWorks sign-in form. At the top left is the MathWorks logo. Below it is the word "Email" followed by an empty text input field. Below the input field, the text "No account? Create one!" is circled in red. Below that is the text "By signing in you agree to our [privacy policy](#)." At the bottom right of the form is a blue button with the text "Next".

You fill in the University email address and the additional information:

Create MathWorks Account

Email Address

i To access your organization's MATLAB license, use your work or university email.

Location

Which best describes you?

Are you at least 13 years or older? Yes No
